

held to be allowable."

Applicant notes that Examiner identified each alleged species by association with a particular drawing and not by identified claim(s). However, in response to Examiner's requirement, Applicant elects the alleged Group E species as shown in Figure 3A. Applicant believes that claims 1-8 are readable thereon but stresses that such election and identification of claims is made to satisfy Examiner's requirement and is further made by Applicant without prejudice.

CONCLUDING REMARKS:

This application is considered to be in condition for allowance and such action is earnestly solicited.

Respectfully submitted,
